

City Union Mission CORE Volunteer Opportunity Form

To help us better process your request for a 1 time or short term volunteer opportunity, please review and complete the following form. The information you provide will help us match you and your group with volunteer opportunities that are available. Please fill in the appropriate information and sign at the bottom.

Please be aware of the following:

- The Mission does not have regular meal server volunteer opportunities. This is done primarily by men and women in the long-term recovery programs for their work therapy assignments. [The Mission does have outside groups that pay for meals (Share-a-Meal) or prepare & bring meals (Bring-and-Serve) who serve the meals they provide.]
- The Mission does not provide community service opportunities.
- For safety reasons, there are limitations on where children can volunteer. Those can be discussed with the volunteer coordinator. A great way for children to help the poor and homeless is by assisting with one of the many drives collecting needed items for the Mission.
- Middle and High School aged youth opportunities are limited to Thrift Store and some Camp Opportunities.
