

City Union Mission Christmas

Thanks to donors like you City Union Mission was able to deliver 15,260 gifts to 496 families last year.

As we prepare for this years Christmas season we have put together families to adopt that represent the families we are planning to serve this Christmas. Each family member gets about \$50 worth of gifts and each household gets one household item and food basket.

- We ask that all gifts be new and unwrapped to allow staff to be able to assign gifts to families that are age and need appropriate.
- **We request that gifts be delivered to 1310 Wabash KC, MO 64127 Monday through Fridays 8:00 – 4:00 if you want to see the Christmas Store or any day any time if you are just dropping off the gifts.**
We are requesting gifts be delivered by December 14th
- If you would like to volunteer to wrap gifts, deliver gifts, or interview clients please contact the Volunteer Department at 816-474-9380 ext. 1487
