Please read carefully

- ❖ All campers must have a Health Screening the week prior to the camp that they attend. City Union Mission offers free screenings the Saturday before each camp session. An adult must accompany your child to the screening. **You may also choose to have your own doctor perform the exam, in which case we need the health screening form back and any medication for your camper no later than the Friday before their camp session begins to save the camper's place.**
 - If your camper takes prescription medicine, you must bring a week's supply to the Saturday Health Screening. The medication must come with the label attached by the pharmacist/physician and should include the child's name, name of medication, dosage, and name of physician. Do not pack meds in the child's bag!!! Also, **bring each child's immunization record to the Health Screening!**

New For Children With Asthma

For children who have used their inhaler or have taken asthma medications in the last 3 months, please bring all of the following to the health screening...

- Dr.'s Asthma Action Plan
- Completed Asthma Survey (available with registration)
- Dr.'s guidelines for peak flow meter
- Inhaler and nebulizer spacer, spacer must be brought to camp

- ❖ Children with special needs are taken on a case-by-case basis.
- ❖ Campers are not allowed to make phone calls from camp.
- ❖ No visitors are allowed at camp. Campers may not leave early unless there is an emergency.
- ❖ If your income exceeds our guidelines (KCMO school district free lunch guidelines), your camper will be put on a waiting list. The fee for camp will then be based on your income.
