

City Union Mission: “Building the Walls that Rebuild Lives”

What You Can Do to Help

Here are some ideas of ways that your church can participate in our “Campaign Awareness Month” in June. We ask that all activities take place by the end of July so that we can report the results at a special church celebration in September. If you have questions, or would like additional guidance, please contact Evie Kowalewski at the Mission at 816-329-1497.

Please Include City Union Mission in your congregation’s prayer ministry, along with your prayers, please consider some of these fun options!

- Organize a City Union Mission Sunday with a dedicated plate offering**
Dedicate one Sunday in or around June to share about the campaign with your congregation and give them the opportunity to be a part of this ministry by taking up a special, free will offering. We have also provided a power point presentation on your resource CD (included in the tool kit) that can be shown on City Union Mission Sunday.
- Invite a speaker for before/during/after services or for adult education**
We will send a staff member to come and share an inside look at what God is doing at the Mission. Or request a client testimony on video or CD to show in your service or small group!
- Include information in your church bulletin or newsletter**
Bulletin inserts are included in your tool kit and can be copied and placed in your bulletin. Or find content for your bulletin or newsletter to insert electronically online at <http://www.cityunionmission.org/ChurchToolkit>.
- Request direct support for the project from your congregation’s Outreach and Missions Ministry**
The inner city of Kansas City is a mission field. We have several churches that support us from their Mission’s budget.
- Display City Union Mission’s materials at your church (information table, bulletin board, etc.)**
We will supply the information pieces to share the vision of City Union Mission with your church body!
- Organize a fundraiser with your youth groups**
Teach your church’s youth about giving to less fortunate. Organize a car wash, garage sale or any activity that best fits your group.
- Design your own activities to support the campaign**
Feel free to design your own fundraising activities that suit your church!
